PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 09/02/2020.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

3

Special Condition # 1: The defendant shall participate in substance abuse testing, to include not more than 365 urinalysis tests and not more than 365 breathalyzer tests annually during the period of supervision. The defendant is to pay all or part of the costs of testing, depending on the defendant's ability to pay, as determined by the United States Probation Officer.

Supporting Evidence It is alleged Mr. Rungo violated his terms of supervision on September 15, 2020, by failing to appear for urinalysis testing as directed.

On December 27, 2017, Anthony Rungo signed his judgment indicating he understood all conditions ordered by the Court. Specifically, Mr. Rungo was made aware by his U.S. probation officer that he must submit to urinalysis testing as directed.
